

Junior Golf Program

Sugar Creek Golf and Tennis Center is proud to announce our after-school Spring junior Golf Program. This is our 1st year being recognized by U.S. Kids Golf.

The Concept & Function of our Program

The primary goal of the Sugar Creek Junior Golf Program is to develop lifelong golfers. A well-rounded program will be accomplished by offering instruction, activities, details on the history of golf, and observance of rules and etiquette. This program ensures that all participants are taught golf in a manner that promotes enjoyment, while at the same time hitting home the essential link between golf and interpersonal skills. Helping junior golfers play golf to the best of their ability, and to contribute to the personal growth of each junior by positive social and character values is our top instruction priority as a facility dedicated to the growth of junior golf!
